NEW INTERNATIONAL STUDENT ENROLLMENT FALL 2024

The following charts and tables are designed to help a reader understand the current trends in new international student enrollment at the University of New Mexico -UNM. **It is critical to note that the numbers below only include students who: 1. completed the admission process, 2. were admitted to UNM, and 3. received immigration documents from the University.** The numbers **do not** include international students who applied and were not admitted, nor do they include those who were admitted but canceled their admission prior to receiving immigration documents from UNM. These numbers include permanent residents and US citizens only if they are full-time exchange students or intensive English students. These numbers also **do not** include F-1 and J-1 students sponsored by other institutions who enroll part-time at the University of New Mexico.

The statistics included in this report separate the incoming international students at UNM into the following categories:

- Graduate (Doctorate and Masters)
- Undergraduate (Associates and Bachelors)
- Other (Certificate programs, such as Tamarind Professional Printing Program)
- Exchange/Guest students
- Intensive English (CELAC)

Exchange/Guest students are analyzed separately, as these students are not receiving degrees or certificates from the university but are taking coursework for one semester or year only, pursuant to an exchange agreement between UNM and their home institution. Intensive English students are also listed separately as these students are enrolled in the Center for English Language and American Culture (CELAC) program at UNM, which is a non-transcripted UNM program. If a student is enrolled as an exchange student in the CELAC program, they are counted in the numbers for exchange (not in the CELAC number)

Observations:

- The total number of new international students admitted at UNM in all programs -degree, exchange/guest and CELAC - for Fall 2024 decreased by 11.62% over Fall 2023. The total number of new students admitted into degree programs decreased by 9.52% over Fall 2023.
- Of those who enrolled at UNM, there was a 22.11% decrease in new international graduates (199 to 155), a 6.96% decrease in new undergraduates (115 to 107), a 8.2% increase in new Exchange/Guest students (61 to 66), and 40% decrease (10 to 6) in new full-time Intensive English over last year.
- Of the new international student population enrolling for Fall 2024, Graduate students comprised 45.59%, Undergraduates 31.47%, Exchange/Guest students 19.41% and Intensive English students 1.76% of the total.
- This year 51.99% of all students who completed the admission process enrolled at the university, compared with 53.24% last year. In other words, the yield decreased by 1.25% over Fall 2023. Counting degree-seeking students only, the percentage was 47.55% this year and 51.56% last year. In other words, the yield decreased by 4.01% over Fall 2023.
